<b>FINSBURY LONDON</b>	€7,5
Finsbury Gin is quite a sweet, juniper-lead gin with coriander shining to the fore with a combination consisting of juniper berry, herbs, spices and exotic fruit. Served with indian tonic and garnished with lemon peel and sliced carrots.	

<b>HENDRICK'S SCOTLAND</b>	€8,5
Juniper and floral flavours abound in this most unusual Scottish gin, with 11 peculiar botanicals & curious infusions of cucumber and rose petals. Served with indian tonic and garnished with a cucumber slice.	

<b>BROCKMANS ENGLAND</b>	€9
ENGLAND Beautifully made from the finest botanicals, this is a gin that dares to be different. The sharp acidity of grapefruit and floral notes of blueberry combine beautifully with the unique botanicals. For a complex, yet refreshingly smooth taste. Served with indian tonic and garnished with berries & apple.	

<b>GIN MARE SPAIN</b>	€9
Gin Mare epitomises the Mediterranean spirit. Crammed with local Mediterranean botanicals and positively singing a pretty little sunshine ditty, with rosemary, thyme, olive, and basil. Served with indian tonic and garnished with a twig of rosemary, orange peel & star anise.	

<b>AORATOS DRY GIN CYPRUS</b>	€8,5
The abundant sunshine and the rich volcanic soil is the secret combination behind the unique character and intense aroma of the botanicals, herbs, and fruit that grow on the island of Cyprus. Juniper berries (locally known as Aoratos), coriander seed, angelica root, nettle leaves, iron wort, sage, rosemary and more! Served with Indian tonic and garnished with celery peel.	

<b>ANGELICA BLUE GIN CYPRUS</b>	€8,5
The inspiration for Angelica comes from Cyprus rich and lush citrus fruit orchards, which we combined with 10 organic, local hand-picked botanicals, and spices. Angelica also includes a flower from the Far East adding a note of mystery and surprise! Angelica is a gin with a twist! It changes color from blue to pink when tonic is added to it! Citrus fruit, angelica, lemon verbena, achillaea. Served with Indian tonic with a lemon slice and garnished with a sprig of rosemary.	

<b>MONKEY 47</b>	€12
STUTTGART, GERMANY SUPER PREMIUM GIN A distinctive and somewhat unconventional gin. The initial perfumed burst is of sweet berry, juniper and assorted fresh citrus peel, further aeration releases pine needle, lavender and clove-like scents. Served with indian tonic and garnished with passion fruit and a slice of lime.
